

Taste different kind of Georgian Chees in small factory "Tsivi" .

Wine tours Kakheti

Overview

- Factory offers active participation in the cheese making process to all interested people. It also receives orders for the organizing the cultural events. It has the many years of experience in tourists service that foresee the cheese degustation and taking the active part in the cheese making process. The factory staff regularly attends the trainings organized by the state , NGO

or International organizations. This activity helps its staff to raise the qualification in the direction of safety regulation, cheese making process and its packaging. Factory management constantly supports and encourages the factory staff and helps them to raise the motivation with different kind of activities

Tour Description

- Factory „Tsivis Kveli“ “ offers only natural dairy products. The inner standard is elaborated for the factory and is constantly checked by the National Food Agency of Georgia. The factory is under the widely recognized HACCP standard, that foresees the Hazard analysis and critical control points, that is a systematic preventive approach to food safety from biological, chemical, and physical hazards in production processes that can cause the finished product to be unsafe and designs measures to reduce these risks to a safe level. All the abovementioned factors will serve the customers to rely on our products and feel safe at the same time. The factory is granted with the Georgian Quality Mark which is already reflected on the label of the product. This means that the Georgian ministry of Agriculture also relays us. The factory is the only one dairy manufacturer in Georgia that is granted with the Georgian Quality Mark.
