### Important information

- Svetitskhoveli - the most important cultural and architectural monument of art, stands out not only for its artistic dignity, grandeur and harmony, but also for the special role that it played in the history of the Georgian people. Svetitskhoveli, first of all, was a religious center of Georgia, as it was a cathedral and residence of the heads of the Georgian church, patriarchs.
- Jvari Monastery is another important cultural, religious and architectural monument in Georgian reality. It is erected on a high mountain and has more than 1,400 years of standing above it, guarding the holy city of Mtskheta.
- The convent of St. Nino, Samtavro is the place where the history of Georgian Orthodoxy begins. It was here that the holy Equal-to-the-Apostles Nino preached the teachings of Christ to the Georgian people, after which spiritual life of Georgians began.
