Important information

- The monastery of St. Nina - Bodbe monastery occupies an important place in the spiritual life of Georgia, since the Enlightener of Georgia, the Equal-to-the-Apostles Nino, rests here. The monastery was erected in the V century. In the ravine flows the spring of St. Nino, which has a miraculous power, as evidenced by people cured of various diseases. In the courtyard of the monastery are terraced gardens, risen by nuns. Here, along with flowers of wonderful varieties, organic vegetables grow.
- Signaghi Historical and Ethnographic Museum - Museum, founded in 1947.
