#### Tour Description

## Tour Description

- An old form of the name “Khulo” is “Khula” which means commercial house. In the middle century trade - caravan road was passing this road from Samtskhe-Javakheti through Goderdze Mountain pass to Adjara – Black sea shore. During the Ottoman ruling the political center of Zemo Adjara has shifted from Skhalta to Khulo. In Khulo there was a church the bricks of which Khimshiashvili had used to build Djame and other buildings. It obtained the status of hamlet in 1964. Khulo is high mountain village and has this region's characteristic related and beautiful houses located on valleys, as well as spectacular views.
- Goderdzi Mountain Pass was an important strategical place connecting Adjara to Samtskhe-Javakheti. Mountain pass is located on 2025m. Its sub-alpine valleys and nature without doubt will stay in the visitors' memory. Construction of mountain resort has started in 2012 which was complete in December of 2015. 6 hotel type cottages are located in the resort. It has the longest ski track in the region. The peak of the cable car is at 2350meter from the sea level.
- Green Lake is located in Zemo Adjara, near Goderdzi Mountain Pass, on the northern side of the Arsiani mountain at 2058 meter from the sea level. You can visit the lake in late spring, summer and early autumn and each of these periods it shows its unique beauty. In winter it's impossible to reach the lake because of the high snow. Green lake is especially beautiful in autumn.
